Química

4th - 8th November 2024

XI International Congress of Chemistry, Biochemistry and Chemical Engineering, QUIMICUBA'2024

Welcome words

Dear colleagues:

On behalf of the Cuban Chemical Society (SCQ), I am pleased to invite you to the XI International Congress of Chemistry, Biochemistry and Chemical Engineering QUIMICUBA'2024 that will take place from November 4th to 8th, 2024 at the Havana Convention Center, Cuba. Our congress will be held after six years in which we had to stay away due to the COVID-19 pandemic avoiding us from meet in the year 2021.

As in previous editions, the congress will be an opportunity to disseminate the most recent advances of pure and applied Chemistry, including its ramifications to Biological, Pharmaceutical, Materials, to Chemical Engineering and Radiochemistry. It is also with great pride that we will host the celebration of the 9th Latin American Symposium on Coordination and Organometallic Chemistry (SILQCOM 9) and the IX Latin American Meeting of Biological Inorganic Chemistry (IX LABIC) that for the first time will celebrate in Cuba. During the appointment, attendees will have the opportunity to learn about the culture, history and social life of our town, in a warm climate of hospitality and beauty, which will make your stay a fruitful and pleasant one experience.

On behalf of the Organizing Committee, we hope to receive you in Havana during 2024,

Dr. C. Julieta Coro Bermello
President of the Cuban Society of Chemistry

Within the framework of the QUIMICUBA 2024 Congress will take place:

- VI International Symposium on Biochemistry and Molecular Biology
- 9th Latin American Symposium on Coordination and Organometallic Chemistry (SILQCOM 9)
- IX Latin American Meeting of Biological Inorganic Chemistry (IX LABIC)

Congress Themes and Topics

- Chemical Education
- Chemical, Biotechnological and Food Engineering
- Natural Products and Medicinal Chemistry
- Analytical and Environmental Chemistry
- Physical, Theoretical and Computational Chemistry
- Chemistry of Materials and Biomaterials
- Organic Chemistry
- Radiochemistry

President of the Cuban Society of Chemistry

Dr. C. Julieta Coro Bermello Faculty of Chemistry, University of Havana

President of the Organizing Committee

Dr. C. Daniel García Rivera Faculty of Chemistry, University of Havana

General Secretary

Dr. C. Loreley Morejón Alonso Faculty of Chemistry, University of Havana

President of the Scientific Committee

Dr. C. Luis A. Montero Cabrera Faculty of Chemistry, University of Havana

E-mail: lmc@fq.uh.cu

President of the Organizing Committee VI International Symposium on Biochemistry and Molecular Biology

Dr. C. Isel Pascual Alonso Faculty of Biology, University of Havana

E-mail: isel@fbio.uh.cu

President of the Organizing Committee 9th Latin American Symposium on Coordination and Organometallic Chemistry and IX Latin American Meeting on Biological Inorganic Chemistry

Dr. C. Alicia M. Díaz García Faculty of Chemistry, University of Havana

E-mail: adg@fq.uh.cu

Registration Fees

Registration Fees	Modo Presencial	
	Before 31/7/24	After 31/7/24
Foreign Delegates	350 USD	400 USD
Accompanying persons	200 USD	250 USD
Undergraduate Students	300 USD	350 USD

All Cuban delegates must be active members of the Cuban Chemical Society.

Registration Fees	Before 31/7/24	After 31/7/24
Cuban delegates with affiliation abroad	300 USD	300 USD
Cuban delegates with affiliation in Cuba	5000 CUP	5000 CUP
Non graduate students	4000 CUP	4000 CUP

Date: 4 to 8 november 2024

Venue: Havana International Conference Center, Havana, Cuba
